

Curriculum Vitae

PERSONAL DATA	
Name	Francesco Mannelli
Date/place of birth	17 Dec 1976/Prato
Citizenship	Italian
Work address	Viale Pieraccini 6, Padiglione 27b CUBO 3, 50139 Florence, Italy
Phone number	+39 055 7947688
e-mail address	francesco.mannelli@unifi.it

EDUCATION			
Name of Institution	Location (City, Country)	Degree	Year
University of Florence	Florence (Italy)	Hematology specialty degree	2006
University of Florence	Florence (Italy)	Medical Doctor	2002

RESEARCH EXPERIENCE		
From - To	Position	Research activity
2008-2015	Temporary research fellow	Study of the clearance of peripheral blasts during induction therapy in adult patients with acute myeloid leukemia
2008	Temporary research fellow	Attendance for 3 months at Flow Cytometry Laboratory of University of Salamanca, directed by Prof. Alberto Orfao
2006-2007	Temporary Research Fellow	Flow cytometry study of leukemic and normal stem cell compartment in patients affected by Acute Myeloid Leukemia and potential applications to Minimal Residual Disease analysis

TECHNICAL SKILLS AND COMPETENCES
Main field of activity and research: clinical management of patients affected by onco-hematological disorders, with specific expertise in acute leukemias and myeloproliferative neoplasms; commitment in translational research about correlation genotype/phenotype, prognostic indicators, diagnostics, minimal residual disease assessment, especially involving the application of immunophenotyping to these fields.

AWARDS
2013 - Premio GIC - Società Italiana di Citometria for the article "CXCR4 expression accounts for clinical phenotype and outcome in acute myeloid leukemia"
2013 - Grant promoted by Ministero della Salute – Sezione Giovani Ricercatori for the project entitled "Peripheral blasts clearance during induction in acute myeloid leukemia"
