

## Curriculum Vitae

PERSONAL DATA	
Name	<b>Cristina Mecucci</b>
Date/place of birth	20/08/1953 Piegara (PG)
Citizenship	Italian
Work address	Piazzale Giorgio Menghini, 9 Piano 1
Phone number	+39 075578 -2207 -3808
e-mail address	cristina.mecucci@unipg.it

EDUCATION			
Name of Institution	Location (City, Country)	Degree	Year
University of Perugia	Perugia, Italy	Specialist, Hematology	1994
University of Leuven	Leuven, Belgium	Geaggregerde Professor	1988
University of Leuven	Leuven, Belgium	PhD, Cancer Genetics	1987
University of Perugia	Perugia, Italy	Specialist, Internal Medicine	1984
University of Perugia	Perugia, Italy	MD	1978

RESEARCH EXPERIENCE		
From - To	Position	Research activity
2013- ongoing	Full Professor	Precise genetic diagnosis in myeloid neoplasms
2001-2012	Associate Professor	Identification of new genomic MDS/AML entities
1991-2000	Head of Laboratory	Development of new genomic technologies
1990-1987	Post Doc	Morphology-Immunology-Cytogenetic Leukemia Classifications
1987-1982	PhD student	Cytogenetic characterization of leukemia subsets

TECHNICAL SKILLS AND COMPETENCES
<p>Conventional and molecular cytogenetics, mutational analysis.                      Clinical hematology, particularly acute myeloid leukemia, myelodysplastic syndromes and other bone marrow insufficiencies.                      Cancer genetics and cytogenetics in leukemia and lymphoma.</p>

AWARDS
<p>1988, Flaviano Magrassi Prize for applied research in hematology.                      1986, Best Paper Prize, 7<sup>th</sup> International Congress of Human Genetics.</p>
